

Revolution ECO™ Laptop Trolleys

Designed with the teacher in mind, the Revolution ECO Laptop Trolleys can store, charge, secure and transport 16 or 28 Laptops or Chromebooks (almost any size).

- **Charge on mass.** Charge 16 or 28 Laptops at once.
- **ECO Safe Charge™.** An intelligent power management system that automatically stages the availability of power to each bank of devices. This function prevents the potential of overloading the circuit and protecting your devices.
- **Patented, one time adjustable laptop shelf.** This allows you to make the cart suitable for Laptops or Chromebooks of almost any size.
- **Storage and accessibility.** Dual sided storage means that Laptops or Chromebooks can be accessed easier and by more users at once from both sides of the Trolley.
- **Secure.** High level of security built into the Trolleys and the anti-theft lock down kit protect not only the Laptops or Chromebooks inside but also the Trolley itself.
- **Open design** for preventing Laptops or Chromebooks from overheating and for easy visual checks.
- **Lifetime warranty.** PC Locs products are built to last. Conditions apply.
- **Free shipping to almost anywhere in Australia.** Contact us for details and exclusions.

The Revolution ECO Laptop Trolleys by PC Locs, are the perfect solution for managing multiple banks of Laptops or Chromebooks.

PC Locs... it just makes life easier.
