

## iQ 30 Cart™

The iQ 30 Cart is the ultimate solution for managing iPad and Tablet deployments. It can sync, charge, store, secure and transport up to 30 iPad, iPad Air, iPad mini or other Tablet devices that support syncing functionality.

- **Efficient syncing.** Using synchronisation software on your MacBook or PC, the iQ 30 Cart can sync up to 30 iPad, iPad Air, iPad mini or other Tablet devices simultaneously.
- **Efficient charging.** With 2.1 amp power at each port, the iQ 30 Cart is capable of charging up to 30 iPad, iPad Air, iPad mini or other Tablet devices at the same time.
- **Extremely portable.** The iQ 30 Cart is equipped with six removable 5 slot Carry Baskets. This makes iPad or Tablet deployments easier.
- **Secure syncing and charging.** Two external USB host ports are located outside the Cart so you can sync or charge your devices whilst being secured in the Cart.
- **Soft closing, sliding hood** secures up to 30 iPad or Tablet devices, and the baskets that they are stored in!
- **Style meets functionality.** The iQ 30 Cart features a sliding top lid so that iPad or Tablet devices can be accessed quicker, easier and by more users at once.
- **Cable management system.** The centre channel system holds all the cables in place making it neater and easier to set up.
- **Intelligent power management system.** The included iQ 16 Sync Charge Box automatically stages the availability of power to each port. This function prevents the potential of overloading the circuit and protecting your devices.
- **Highly Secure.** Two-point locking system to lock away the devices in the storage area, whilst the heavy duty anchor kit locks down the whole Cart.
- **Lifetime warranty.** PC Locs products are built to last. Conditions apply.
- **Free shipping to almost anywhere in Australia.** Contact us for details and exclusions.

PC Locs... it just makes life easier.
