

## iQ 16 Sync Charge Box™ by PC Locs

### Essential for iPad deployments.

- **Efficient syncing.** Using synchronisation software on your MacBook, the iQ 16 Sync Charge Box can sync up to 16 iPad, iPad Air or iPad mini and other compatible Tablet devices simultaneously.
- **Efficient charging.** With 2.1 amp power at each port, the iQ 16 Sync Charge Box is capable of charging up to 16 iPad, iPad Air or iPad mini and other compatible Tablet devices at the same time.
- **Designed to be portable.** The iQ 16 Sync Charge Box is a hand held USB hub that can be carried to locations where iPad and Tablet devices are stored and requires syncing and charging.
- **Compatible.** The iQ 16 Sync Charge Box is designed to connect with any iOS device and almost any Tablet device.
- **Intelligent power management system for safe and efficient charging.** The iQ 16 Sync Charge Box automatically stages the availability of power to each port. This function prevents the potential of overloading the circuit and protecting your devices.
- **Free shipping to almost anywhere in Australia.** Contact us for details and exclusions.

PC Locs... it just makes life easier.
